Holy Cross Associates

A New Way of Connecting

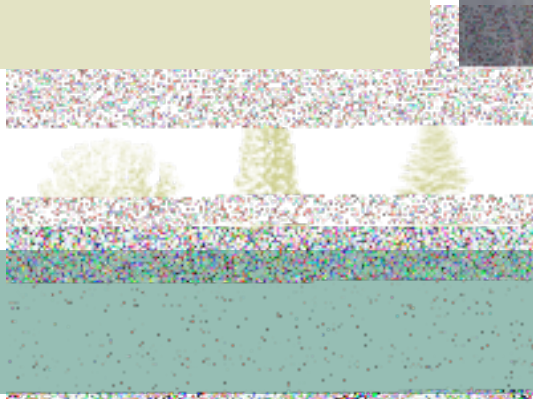

Why join HCA? If you attended or work at a school founded by the Congregation of Holy Cross, chances are you are already an “associate.”

You have embraced the heritage and charisms of Holy Cross and live them out everyday, in your work, ministry, and life.

It's not another “meeting.” HCA is a way to strengthen what is already in you and in your community.

Grow with us today!

“Holy Cross will grow like a mighty tree and constantly shoot forth new limbs whose branches will produce yet others, and all nourished from the same sap and endowed with the same life.” - Circular Letter 65 – Moreau
