## **Ongoing Associate Formation**

### **Using HCA Booklets and Lectio Divina**

#### **Description of the Booklets Provided as a Resource for conducting the Lectio Divina during Monthly Gatherings, Leading to a Deeper Commitment to Holy Cross Spirituality**

Using the Lectio Divina method described at the beginning of each guide, the participants are encouraged to share how God is moving them to a deeper walk with Christ in the Holy Cross family. This creates the support each member needs to keep a balance in the many demands that they are facing. They then experience the full sense of Community and are energized in their service to others.
